

Exhibitor Information

SNCURCS will have an information fair for interested employers, organizations and graduate schools. SNCURCS is a wonderful opportunity to recruit the top students from all over North Carolina. We will have (undraped) tables with chairs set up in the Allied Health Building main entrance on the main floor. This building will have all the oral sessions so there will be a lot of foot traffic. See [information](#) for directions; Allied Health is directly behind the ECHI at East Carolina University. Parking is directly in front of ECHI or in the Health Sciences parking lot off of 5th street. Please see [Other Registration](#) to register.

SNCURCS is free to attend for presenters and other attendees. Breakfast and lunch are included. We request that each vendor donate a minimum of \$250 to support the symposium. Our sponsor's logos will be displayed on site and in the program.

If you plan to attend and would like a table, please let me know. For contributions, please send an email message with your expected contribution to Lisa Sheppard, Research and Graduate Studies sheppardl@ecu.edu and she will send you an invoice. Also, please forward your logo to me at farwellm@ecu.edu.
